ROOT RIVER & HARMONY-PRESTON VALLEY STATE TRAILS

FILLMORE & HOUSTON COUNTIES

WELCOME TO BLUFF COUNTRY!

Bluff Country calls out to be explored and enjoyed: come see for yourself! With the help of the beautiful and convenient Root River State Trail and Harmony-Preston Valley State Trail, you can do just that!

In whatever season you make your journey, you won't be disappointed. Your choice of transportation (in a car, by bicycle, in-line skates, mountain bike, on-foot, in a kayak, canoe or inner tube, on snowshoes or cross-country skis) opens up all kinds of adventures! Vibrant fall foliage, the sunshine of summer days, winter's icy beauty and spring's bursting new life offer sights and sounds you won't soon forget.

The two trails, approximately 60 miles in length, follow the twists and turns of the Root River and Bluff Country Scenic Byway (Highway 16). You'll find yourself traveling through beautiful forests that suddenly open into inspiring vistas of towering bluffs and expansive views of rolling Midwestern farmlands. Along the trail, you'll come upon towns like Harmony, Fountain, Preston, Lanesboro, Whalan, Peterson, Rushford and Houston.

Each town has unique shops, restaurants, lodging, and attractions like Niagara Cave in nearby Harmony or Forestville's Mystery Cave near Preston.

Lanesboro, located about midway along the Root River Trail, has a number of claims to fame. It is Minnesota's official Rhubarb Capital as well as the state's Bed & Breakfast Capital. The town—**Population 713**—has majestic Victorian homes and maintains a 19th Century Historic Downtown district featuring quirky shops, delectable restaurants, professional theatre, art galleries and ice cream shops.

One thing that can greatly help you during your visit to Lanesboro, is to access the Lanesboro App, a digital travel pocket guide. If you want to quickly find restaurant hours, lodging information, or look through a glossary of items so you can find what store sells sunscreen and hats, just download and use the Lanesboro App. It is an excellent contactless way to find the information you need, quickly and efficiently.
